WELCOME

Welcome to USA Volleyball (USAV) and its affiliated CEVA association, the Columbia Empire Volleyball Association (CEVA). This handbook is a guide to the USAV and CEVA, and provides a brief history of these associations. This handbook also provides specific guidelines, procedures, and requirements for involvement with the CEVA.

THE HISTORY OF USA VOLLEYBALL

The sport of volleyball was created in Holyoke, Massachusetts by William G. Morgan, a YMCA physical education director in 1895. When first played the game consisted of nine innings and any number of players could play in the space provided. As the sport became more popular, the rules of play began to evolve where the game required a special ball. The first U.S. National Championship (for men only) was played in 1922 at the Pittsburgh, Pennsylvania YMCA and was won by the Brooklyn YMCA.

The United States Volleyball Association was founded in 1923 at the Yale Club in New York City for the purpose of representing the sport both nationally and internationally, and for conducting an annual National Open Championship. USAV is the national governing body for volleyball in the United States. The staff, organization, and support for our U.S. Olympic teams are provided by the USAV. The USAV includes among its member organizations the National Collegiate Athletic Association (NCAA), the Young Men's Christian Association (YMCA), the National Federation of State High School Associations, as well as the Boy Scouts of America, the Special Olympics, the Armed Forces, and a number of ethnic, recreational, religious, and intramural groups. The USAV has over 120,000 members.

The Women's Open National Championship was added in 1949 and since then the Men's and Women's Opens have been conducted concurrently each year. USAV also annually conducts the National Championships for Mixed Sixes, Outdoor, Sand, as well as the USAV Junior National Volleyball Championships for youth 18 and under.

The United States Olympic Committee (USOC) recognizes USAV as the National Governing Body for the sport of volleyball. It also is the exclusive American representative to the International Volleyball Federation (FIVB) and to other international sport bodies. The US National Teams (Men, Women, and Juniors) train at the Olympic Training Center located in Colorado Springs, Colorado.

Recently, Junior Development Programs have been initiated to identify 14-year old young men and women who excel in the sport and introduce them to a higher level of competition. USAV has developed both youth and junior national teams for young junior men and women 18 years and under, while also providing international competition for each level.

USAV is divided geographical into several regions, each of which conducts a number of programs, including tournaments organized by age and/or ability, summer camps, and clinics for the development of coaches, players, referees, and scorekeepers. The CEVA governs USAV-sanctioned volleyball in the state of Oregon and southwest Washington and boasts a total membership over 4,000 strong.

THE HISTORY OF THE CEVA

On July 31, 1980 the CEVA Volleyball Association was incorporated under the Oregon Nonprofit Corporation Act. The first Commissioner of CEVA was Tom Becic. Tom Becic was also the first CEVA member to be elected to a USAV National office as the treasurer at the 1980 meetings.

The first teams to play in the USAV National Adult Championships from Oregon were the Portland downtown YMCA Men and the northeast Portland YMCA Women in 1949 in Los Angeles. The Portland Men finished tied for 7th in the 1949 Championships. The first Oregon team to win the Open division in the Far West Championships was the Multnomah Athletic Club in 1976. The first CEVA senior players elected as Most Valuable Player in a USAV National Championship were Rich Leong in 1981 and Marlene Piper in 1983. In 1988, the CEVA Viking Volleyball Club brought home the first adult division championship in the USAV National Tournament held in Salt Lake City, Utah, lead by their coach Jeff Mozzochi.

In international play within CEVA, Marlene Piper and Tom Swanson coached the first year of the Canadian-American (CAN-AM) Senior and Junior Championships in 1975. Among the teams participating were Alberta, British Columbia, Oregon, and Washington. The first Oregon team to win the CAN-AM's was in 1978, coached by Dick Soderquist and Rod Jones.

In Junior play, the first Junior CEVA Championships were held in 1975 and hosted by the club LOCO's of Estacada. The first Junior team to win a championship at the Festival in Davis was Carl Neuburger's Portland Volleyball Club 17 and under team in 1987.

At the first annual USAV Outdoor National Championship in San Jose, California, Keith Phillips and Tonya Fix-Ketcham won the Coed BB Gold Division, Gary Patch and Tamee Allen placed second in the Coed A Gold Division, and Curtis Thorne and Russell Davis placed second in the Men's AA Silver Division.

Portland has also sponsored several USAV National Tournaments. In 1968, the Portland YMCA hosted the National tournament, while the Multnomah Athletic Club in 1975 hosted the National AAU Tournament, co-sponsored the 1980 USAV Nationals with the CEVA, and also hosted the 1984 Coed National Championship. The CEVA Region also hosted the Outdoor National Championships in 1995.

FINANCIAL INFORMATION

The CEVA is an Oregon nonprofit corporation. The CEVA's main sources of revenue are registrations, tournament fees, fundraising, and sponsorships. CEVA expenses are primarily the funding of a number of programs and services, the rental of facilities for tournaments, and employing the Commissioner and Program Director to operate the CEVA office and administer the regular tournament season. In addition, when possible, the CEVA supports many teams to post season tournaments by paying entry fees to national level tournaments.

A complete financial statement and budget is available to any CEVA member. Requests must be made in writing to the CEVA office, with a self-addressed, stamped envelope. CEVA also provides financial information to the USAV.

TEAM OR CLUB DIRECTORS OR REPRESENTATIVES

Team or club directors or representative are responsible for all aspects of team or club management. This is not necessarily the coach. **The team or club director or representative is the official liaison between the team or club and CEVA.**

The team or club director or representative's responsibilities include:

- Accountability for all matter relating to registration and fees, for players, coaches, team representatives, and chaperons;
- Entry of team(s) into tournaments;
- Eligibility of team and/or club for CEVA and national events that the team/club may participate in.

It is the director or representative's responsibility to ensure that all information or documentation sent by CEVA to the team(s) is distributed to each and every team member. It is also the director or representative's responsibility to ensure that all necessary information, documentation, monies, etc., are forwarded to the CEVA office in a timely manner. Directors or representatives also should advise the CEVA office of any corrections or errors, and provide completed rosters to tournament hosts in a timely manner.

RESIDENCY REGISTRATION REQUIREMENT

All players residing within the CEVA's geographical jurisdiction are required to register with the CEVA. Teams whose center of activities is closer to adjacent regions may petition the CEVA for authorization to register with the adjacent region and should state the specific basis for the request. Such authorization must receive the written approval of each region's commissioner.

TEAM-PLAYER REGISTRATION

All players, coaches, directors, team representatives, chaperons, managers, trainers, and participants must be registered in the proper classification prior to entering any sanctioned competition.

Both coaches and players must be registered with a specific team or club. Once the CEVA office receives a coach or player's registration, that coach or player may coach or play only with that team for the remainder of the season. If a player quits or wants to switch clubs, then the CEVA transfer policy must be followed.

USA VOLLEYBALL JR. VOLLEYBALL AGE DEFINITION

The following age groupings are effective for players other than college students who, regardless of age, are not eligible to compete in sanctioned Junior Olympic Volleyball events, unless amended by actions specified in Article X, E2, e, (1) of the Operating Code. Athletes need not be currently enrolled in high school except as noted below:

- 18 & under** – Players who turn 18 years of age on or after September 1st of the current school year or high school students in the 12th grade or below during the current academic year and are 19 years of age or younger on June 15th of the current season.
- 16 & under** - Players who turn 16 years of age on or after September 1st of the current school year.
- 14 & under** - Players who turn 14 years of age on or after September 1st of the current school year.
- 12 & under** - Players who turn 12 years of age on or after September 1st of the current school year.

JUNIOR BOYS AGE DEFINITIONS

Junior boys are allowed to play on junior girls teams. Junior boys will follow age definitions below:

- 11 year old boys-** Male players who are 11 years or under will play 12U.
- 12-13 year old boys-** Male players who are 12 to 13 years of age will play 14U.
- 14 year old boys-** Male players who are 14 years of age will play 16U.
- High School Boys-** Male players who are in high school will not be allowed to play with Junior Girls.

MULTIPLE ROSTER SETTING

Clubs with multiple teams may move individual players within the club freely between skill levels and teams until **April 1st**. However, teams qualifying for Junior National Championships who participate in a National Qualifier Tournament and who qualify for Nationals prior to the April 1st deadline shall have their roster frozen at the time the team qualifies for Junior Nationals. Junior players in different age groups may play only in their own age group or in a higher age group. **However, players may not play in two consecutive tournaments in two different age groups on the same weekend.**

AGE WAIVER APPLICATION

The Region has the ability to grant age waivers for players who need to play in a younger age group for developmental purposes, or who because of their geographical location have limited opportunities to participate. The Age Waiver Application must be filled out by both the player and the coach and sent to the CEVA Commissioner for approval. If approved, the Age Waiver is only valid with the Columbia Empire Region. Any team with a player on an age waiver who travels outside the Region must notify the tournament director and seek approval for the player to participate. Younger players who participate in an older division do not need a written age waiver.

CEVA JUNIOR SEASON

The CEVA Junior Volleyball season runs from November through the last day of play at the Junior Olympic National Championships (generally early July).

CEVA TRYOUT POLICY

A club conducting tryouts must have each player and a parent sign the CEVA Tryout Information and Waiver and Release form before tryouts begin.

Each club shall collect from each player trying out \$5.00 per day for insurance coverage. **Those daily fees shall be paid to CEVA.** If the player accepts a position on the team, the club may elect to collect the balance between the tryout amount paid and the \$45.00 membership fee (e.g. 1-day tryout fee \$5.00 = \$40.00 membership balance owed; 2-day tryout fee \$10.00 = \$35.00 membership balance owed). In no event shall the membership fee paid to CEVA be less than \$45.00. Clubs may assess tryout fees to cover facility or other expenses but such fees are separate and distinct from the \$45.00 membership fee or the \$5.00 per day insurance fee.

A signed CEVA On-Line individual membership form does not contract a player to a club. Only after specific teams are formed by the club, and that information is received by the CEVA office, are players restricted to that team for the remainder of the season.

All tryout payments and forms must be sent to the CEVA Office.

JUNIOR TRYOUT DATES

Tryouts for the 12-under and 14-under age groups may be no earlier than the first Sunday in November. Tryouts for the 16-under and 18-under age groups will be the Sunday following the latest Oregon/Washington State High School Tournament.

Coaches not so certified may not coach in any CEVA/USAV Junior sanctioned events or any USAV Junior National or qualifier events. **Coaches who are ASEP certified must purchase an IMPACT Manual from the CEVA office but do not need to attend an IMPACT clinic.**

COACHING RESTRICTIONS

OSAA Practice Limitation Rule 56 states:

“Practice is defined as the involvement of individuals from a member high school in any program, demonstration, instruction, or participation conducted in part or in its entirety by a person or a group of people who are or who have been involved in the coaching of any of these athletes in that sport at the high school.”

“It shall be a violation of the rule if there is any attempt during the Association year to gather more than two (2) members of the same high school program together per day outside the OSAA defined season to receive specialized athletic instruction from any coach associated with the participating athletes’ high school program. Attempts to circumvent the rule by encouraging team members to attend out-of-season practices or camps during the Association year other than through general dissemination of information or brochures shall be considered a violation of this rule.”

High school sports competition is favored over club volleyball participation if there is conflict. No coach, team, club, or club representative may restrict a junior player from competing in other high school sports during the school year.

POWER LEAGUE/AREA LEAGUE SEEDING INFORMATION

The Junior Committee seeds each age division for power league seeds 1-64. Seeding is based on the information received from the Power League Tournament Entry Form, recommendations from a panel of the age group coaches, last season's power league and regional championship finishes, and other pertinent information received from the club. Area League teams 65 and beyond will be placed in geographical areas, not by an assigned seeding number.

POWER LEAGUE TOURNAMENTS

Power League I will consist of the top 32 teams in the 18's, 16's, 14's, and 12's age divisions.

Platinum Division (18U ONLY) will consist of the top 4 teams in the 18's age division after the qualifier. Platinum division will consist of the CEVA top 4 18's teams and the Puget Sound (Seattle) top 4 18's teams. The Platinum division will play February, March and April, similar to the typical CEVA Power League Tournaments.

Power League II will consist of the teams seeded 33 to 64 in the 18's, 16's, and 14's age divisions. Power League II teams still have the opportunity to move up to Power League I.

CEVA accepts only 25% of teams from outside CEVA for the 18, 16, and 14 age groups. Only eight (8) teams will be accepted into Power League I. Only one team per club, per age group is accepted from outside the CEVA region. If the 8-team criteria have not been met, then a second team from a club outside the CEVA region may be accepted on a first come basis, if space is available. CEVA club teams may have multiple entries in the same division if space is available.

To be eligible for Power League I/II or Area League, a team must submit a completed Power League/Area League Tournament Entry form, pay the entry fee, and have a minimum of six (6) players registered with CEVA by the Power League deadline. The deadline for registration is the second Monday in December. **Faxed entries will not be accepted unless approved by the CEVA Commissioner.**

Power League Entry Fee: \$500 per team

POOL PLAY FORMAT

A four team pool will play the following format:

1 vs 3	2 Referee	4 off
2 vs 4	1 Referee	3 off
1 vs 4	3 Referee	2 off
2 vs 3	1 Referee	4 off
3 vs 4	2 Referee	1 off
1 vs 2	4 Referee	3 off

A three team pool will play the following

2 vs 3	1 Referee
30 minute break	
1 vs 3	2 Referee
30 minute break	
1 vs 2	3 Referee

*A 10 minute ball-handling warm up will be allowed before round one and round two.

POWER LEAGUE FORMAT

Most divisions will consist of eight teams (two pools of four teams). Teams will move up and down in divisions after each power league tournament. The top two teams in each division will move up one division, while the bottom two teams in each division will drop down one division. Again, this will allow Power League II teams to move up into Power League I.

For all pool play there will be one round of pool play in each division. Each division will have their teams seeded 1 – 8. The “snaking” format will be used to establish pools within the division.

Example:	Gold Division:	<u>Pool A</u>	<u>Pool B</u>
		1	2
		4	3
		5	6
		8	7

Once the first round of pool play is complete, teams will be placed into bracket play. The top two teams from each pool will form a bracket, while the bottom two teams from each pool will form a bracket. The winner of the first pool (Ex. Pool A) will crossover and play the second place team in the second pool (Ex. Pool B), while the winner of second pool (Ex. Pool B) will crossover and play the second place team in the first pool (Ex. Pool A).

The third place team in the first pool (Ex. Pool A) will crossover and play the fourth place team in the second pool (Ex. Pool B), while the third place team in the second pool (Ex. Pool B) will crossover and play the fourth place team in the first pool (Ex. Pool A). The first round of bracket play will be 2 out of 3, rally score, with the first two games to 25 points, and if necessary, a third game to 15 points, all games no cap, must win by two points.

In the second round of bracket play, the only match that will be match play (2 out of 3, first two to 25 points, third to 15 points, no cap, win by two) will be the championship match in each division. All other second round matches will be one game of rally to 25 points, no cap, win by two points.

Divisions that consist of six teams, will be seeded 1-6 using the “snaking format” to establish pools in the division.

Example:	Pool M	Pool N
	1	2
	4	3
	5	6

Teams will play in the morning a normal three-team pool which consists of three sets to 25 with a 30 minute break between the end of one match and the start of the next match (including warm-up time). In the afternoon, teams will play a three-team cross pool. This will allow all six teams to play one another to decide the division champion. All matches are 2 out of 3, rally score, first two games to 25 points, third game to 15 points, no cap, win by two.

Divisions that consist of five teams will be seeded 1-5 and will play a round robin pool format to decide the division champion. All matches are 2 out of 3, rally score, first two games to 25 points, third game to 15 points, no cap, win by two.

TIE-BREAKING PROCEDURES FOR POOL PLAY

If there is a **two-way tie in pool play**, then the following criteria determine the higher seed.

1. Head-to-Head Match play

If there is a **three-way tie in pool play**, all three (3) teams will participate in tie-breaking games. All tie-breaking games will be one rally score game to 15 points, with no cap and must win by two points. The following criteria will determine the seeding.

1. The team with the **highest seed** coming in will have the bye, and referee the 1st playoff round.
2. The winner of the 1st round will play the team with the bye, and the loser of the 1st round will referee.
3. The winner of the second round is the highest seed, while the loser of the first round is the lowest seed.

The Platinum, Gold, Silver and Bronze Division's for 18's, 16's, and 14's will only play three-way ties in pool play. All other Division's tie-breaking procedure will be as followed:

1. **Game Winning Percentage – total games won/total games played x 100%**
2. **If teams are still tied by game percentage, then the point differential of the matches played between the tied teams is used.**
3. **Coin Flip**
4. **In Platinum League only, the 2nd and 3rd place tie will have a playoff, one set to 15**

HEAD OFFICIALS FOR 18'S & 16'S PLATINUM/GOLD/SILVER , 14'S and 12'S GOLD

Power League points commence with February's tournament. Teams receive points after each power league tournament. The 18's Platinum division first place team will receive 620 points, second place 615, third place 610, and fourth place 605 points. The first place team in each gold division receives 600 points. The second place team will receive 595 points. Teams that follow drop 5-point increments (e.g.

3rd place = 590, 4th place = 585). Monthly points and standings are posted on the CEVA website as well as each teams overall points and standing for the year.

POWER LEAGUE REFUND POLICY

The CEVA office each year designates a deadline for entry into the Power League tournaments. Teams are then seeded by the Junior committee for the Power League Qualifier in January.

If a team seeded requests a removal and refund of payment for Power League, two week before the first Power League, the full amount will be reimbursed to the club.

If a team seeded requests a removal and refund of payment for Power League, less than two weeks before the first Power League, the team will pay a penalty fee of \$100.00 and the remaining amount will be reimbursed to the club.

If a team plays in the qualifier and then requests a removal and refund of payment for Power League, the team will pay a penalty fee of \$100.00, in addition to the prorated cost of any tournament played. The remaining amount will then be reimbursed to the club.

If at any time after the qualifier, a team requests a removal and refund of payment for Power League, the team will pay a penalty fee of \$100.00, in addition to the prorated cost of any tournament played. The remaining amount will then be reimbursed to the club.

If there is a **three-way tie in pool play**, then the following criteria determine seeding.

5. Game Winning Percentage – total games won/total games played x 100%
6. If teams are still tied by game percentage, then the point differential of the matches played between the tied teams is used.

CEVA ROSTER FREEZE DEADLINE

On April 1st through Regionals, all CEVA team rosters are frozen. Teams are able to make an emergency roster addition if a player on their current roster has an injury or a personal hardship. Emergency roster additions must be received in writing at the CEVA office and are reviewed and approved only by the CEVA Commissioner.

NO SHOW POLICY

Teams that do not show for a Power League Tournament are not refunded their entry fee. The team is dropped to the 8th position in its respective division and also dropped to the next level for the following Power League Tournament. In order to participate in the next Power League, the team **must pay a one-time reinstatement fee of \$100**. The fee must be paid prior to the next Power League or CEVA Championship.

CANCELING FROM A TOURNAMENT

Teams who withdraw from a Friendship or Power League tournament **during the prior workweek**, are not refunded their entry fee. For Power League, the team is dropped to the 8th position in its respective division and also dropped to the next level for the following Power League Tournament. Teams also **must pay a reinstatement fee of \$50**, in order to participate in the next Power League tournament.

Teams who withdraw from a Friendship or Power League tournament **prior to the workweek before the tournament**, will not be refunded their entry fee. But such teams will not need to pay a reinstatement fee in order to participate in the next Power League tournament. The team is dropped to the 8th position in their respective division and also dropped to the next level for the following Power League Tournament.

FORFEIT OF A MATCH

A team forfeiting a match or matches during a Friendship or Power League tournament, **will be fined \$50 per match**. Teams must pay the fine(s) in order to participate in the next Power League tournament.

WEATHER STIPULATION

The CEVA Commissioner may review tournament withdrawals and match forfeitures due to weather to determine whether imposition of a penalty is inappropriate.

HOSTING A TOURNAMENT

The CEVA hosts a number of tournaments throughout the season. For other competitions to take place, clubs or teams must take the initiative and host tournaments. Before a club or team officially declares an intention to host a tournament, the following steps should be taken:

1. **Choose a date.** The CEVA website lists the dates of all events in the region and also some national events during the year. Make sure that there is not another tournament scheduled for the same level that weekend.
2. **Find and reserve a gym.**
3. **Find a tournament director.** A tournament director runs the tournament, and cannot participate in the tournament as a player, coach, or referee. The director's duties include running the captain's meeting, collecting score sheets, posting results, keeping the tournament on schedule, making adjustments as needed, and resolving problems as they occur (those not under the jurisdiction of the protest committee).

SANCTIONING A TOURNAMENT

Assuming the preceding three elements are in place, a Sanctioned Tournament Proposal form must be sent to the CEVA office for approval. A \$150 fee must accompany the tournament proposal to pay for the Head Official that the CEVA region assigns to your tournament. As a reminder, **all tournaments must have one Head Official per eight teams**. If your tournament involves 14 or more teams, CEVA requires that the tournament host pay another \$150 for a second Head Official. The proposal form sent to the CEVA office must contain basic information about the tournament, including:

- Tournament Dates
- Location
- Number of courts (maximum of 4 teams per court, unless approved by the CEVA office)
- Name of tournament director
- Starting time and Ending time
- Captain's meeting time
- Entry fee is set by Club Hosting Tournament
- Entry deadline
- Category and level of play (12's, 14's, 16', and/or 18's)

The CEVA must sanction all tournaments. **The CEVA does not sanction tournaments if a proposal form or a check for \$150 to cover the Head Official has not been received.** Once the required information is received, the tournament date is placed on the CEVA website. The CEVA office also has available a tournament director's packet to help organize the tournament. **Any club cancelling a sanctioned tournament 48 hours or less will forfeit the sanction fee with 50% of the fee kept by CEVA and the other 50% paid to assigned officials.**

TEAMS IN SANCTIONED CEVA TOURNAMENTS

Once a tournament is sanctioned by CEVA, the following guidelines must be followed:

1. Accept teams according to the number of courts available. CEVA policy limits the number of teams in tournament play to four teams per court, unless approved by the CEVA office.
2. Each team in the tournament must be guaranteed a minimum of seven 25-point rally scored games.
3. The entry deadline for a tournament is usually two weeks before the tournament date. Do not eliminate teams from your tournament before the deadline.
4. All teams playing in your tournament **must be registered with the CEVA or other regions under the USAV**. A list of all CEVA registered teams is posted on the CEVA website. If teams from outside the CEVA region submit an entry form, check their USAV status with the CEVA office. Accepting ineligible teams jeopardizes a club's participation in USAV tournaments and may result in a fine.
5. Once the entry deadline has passed, notify all the teams whether or not their entries have been accepted. **This must be done at least one week prior to the tournament.** While contacting each team, it is a good idea to confirm the coach's/captain's meeting time, tournament start time, and the exact location of the tournament.

TOURNAMENT FORMAT

A tournament packet is available from the CEVA office. There are several sample tournament formats for the different number of teams that will be playing in your tournament. As a reminder, each team must be guaranteed seven 25-point sets. Please contact the CEVA office should questions arise or for assistance in developing the tournament format.

FOOD AND DRINK POLICY

All tournament hosts designate an area for team food and beverage consumption. All tournament sites and hosts prohibit food and drinks in the playing gym area, except for team water bottles. For CEVA Hosted Tournaments the sanctions for team violations of the Facility Food and Drink Policy are as follows: For the second violation by the same team, there will be a five point penalty on the next set played. For the third violation there will be a ten point penalty on the next set played. For each additional violation by the same team there is an increase of five points to the penalty. (i.e. six violations by the same team would result in the forfeit of a 25 point set.)

CLEAN-UP POLICY

All players, teams, participants, or hosts are responsible for cleaning their area during and upon completion of play. The tournament host is ultimately responsible for final clean up of any gym facility used for CEVA-sanctioned tournament events.

QUALIFIED REFEREE AND SCOREKEEPERS

All teams entering CEVA tournaments must have a certified referee and scorekeeper for each match. The referee and scorekeeper do not have to be players on the team but must be currently registered with the CEVA region (i.e., coach, friend, or parent) and passed the background screening. All clubs must have a qualified adult as a referee and a certified scorekeeper for every sanctioned tournament. 18 and under junior players may officiate in the R1 position in the CEVA region at club hosted sanctioned tournaments only upon completion of referee training through the CEVA region.

To become a certified referee you must attend a CEVA Referee/Scorekeeper Clinic and pass the on-line assessment unless you have more than two years experience. Those with more than two years experience need only complete the on-line assessment.

To become a certified scorekeeper you must attend a CEVA Referee/Scorekeeper Clinic unless you have more than two years experience. Those with more than two years experience need only complete the on-line assessment.

Referee and Scorekeepers Clinics will be scheduled through and held at the CEVA Office and surrounding areas.

Teams without a qualified referee or scorekeeper at a CEVA tournament event, after December 31st of each season, must pay \$50.00 for the day for a Head Official to cover the team's officiating assignments or must make other arrangements to have their officiating responsibilities covered by a qualified individual not playing, coaching, tournament directing, or otherwise actively participating in the tournament. The fine must be paid to the CEVA Office. In the event that a team is without a certified

referee or scorekeeper at a CEVA tournament for a second time or more, the team must pay \$75.00 for the day for a Head Official to cover the team's officiating assignments.

FAILURE TO COMPLETE OFFICIATING ASSIGNMENT

Teams failing to fulfill their officiating assignments will be fined \$50.00.

TEAM/PLAYER UNIFORMS

A player's uniform consists of a jersey and shorts. Team uniforms must be similar, clean and of the same color.

Players' jerseys must be numbered from **1 to 99**. The number must be centered on both the front and back of the jersey. The numbers must be a **different and contrasting color** (*i.e.*, black/white, blue/white, red/white, white/black) to the jersey with a minimum height of 4 inches on the front and 6 inches on the back. **(Recommended Number sizes are 6" in the front and 8" on the back)** Each uniform jersey must use the same color and number height for all team members (except Libero).

The Libero must wear a contrasting color uniform/jersey (*i.e.*, black/white, blue/yellow, red/gray) to the other members of the team. Jersey number placement must be identical to the other members of the team.

It is forbidden to wear jewelry while playing in a tournament.

CEVA TEAM PRIZE POLICY – USA VOLLEYBALL JR. CHAMPIONSHIPS

The CEVA region, each year, may allot \$1000.00 in prizes for the USA Volleyball Junior Championship Tournament. Those teams who are accepted and complete the USA Volleyball Junior Championship can receive up to \$500.00 from the Columbia Empire Region.
